Chapter Overview	Introducing Authors	Drawing Conclusions	Purpose of Research	Authors agreeing	Authors Disagreeing	Altering a Position	Evaluating	Synthesizing
aim	according to	attribute the lack to...	argue	adhere	alter	accordingly	appraise	apply
break down	admit	believe	compare	agree	compare	alter	assess	arrange
categorize	advise	conclude	examine	assert	criticize	change	choose	categorise
classify	advocate	evidences	explore	concur	debate	design	compare	combine
compile	argue	generalize	illustrate	confirm	defend position	devise	conclude	compile
conclude	articulate	imply that	present	follow	differentiate	form	consider	complete
define	assert	it follows then	synthesize	match	disagree	hypothesize	contrast	compose
demonstrate	believe	it is reasonable	test	share	discriminate	initiate	criticise	conclude
describe	claim	points to a lack of ...	understand	share the position	distinguish	justify	decide	create
discuss	conceptualize	recommend		support	modify	manipulate	deduce	design
entail	contend that	testify that			question	modify	defend	develop
explain	deal with				revise	organize	determine	devise
follow	declare				separate	plan	discriminate	form
give	derive				skeptical	point towards	estimate	generalize
highlight	elaborate upon					predict	interpret	generate
identify	explain					rearrange	justify	hypothesize
label	explicate					revise	summarize	incorporate
list	explore					rewrite		integrate
organize	find					subdivide	Consequence	interpret
outline	focus					tend to	consequently	order
present	identify						for this reason	organise
propose	indicate	Introducing authors cont.					hence	plan
provide	investigate	reason that					therefore	prepare
report	justify	reveal					thus	produce
select	note	seminal study by						propose
show	offer	specify						rearrange
summarize	opine	stress						relate
test	posit	submit that						reproduce
unfold	postulate	suggest						solve
	propose	underline						synthesize
	purport							
	report
